There is a fine tennis court, several summer cottages, bathing houses, boats, etc., that go with the property. Mrs. Pratt will be in charge of inside appointments, while Mr. Pratt will take charge of the refreshment department and outside sports.

GUIDE-BROWNIE TEA A SUCCESS

The tea given by the Guide and Brownie Association was very successful and the sum of \$50.00 was raised towards the fees for the girls at the Guide Camp. The hall looked very pleasing with baskets of flowers and small tables for tea with vases of roses at each.

The Guides, under the convener-ship of Mrs. Mounce, waited at the tables, and Mrs. Skinner was busy all afternoon serving ice cream. The candy and home-cooking stall had a bountiful display, here also the girls were kept busy under the supervision of Mrs. Lennart.

During the afternoon a short program was given when Jenny Nicholson recited, Dorcas McIlroy and Catherine Collyer gave a dance and Mrs. Burns gave a humorous reading which was very much enjoyed.

At this time also service stars were awarded to Guides: Beatrice Lidgate, Grace King, Joan Charlebois, Louise Charlebois, Gwen Hollands and Elsie Carmichael; Brownies: Marion Brethour, Margaret Mounce, Gwen King, Marjorie Le Vack, Phyllis John and Joyce Lennart.

At the close of the afternoon the drawing for the cake and doll took place, the winning ticket for the cake being held by Mrs. Beattie and the doll by Mrs. Turnbull.

CATERPILLARS SUFFER LOSSES

By Review Representative

FULFORD HARBOUR, July 3.—The "Caterpillar Campaign," which was started by the Fulford Frolickers some time ago, has come to an end for this year. The winner of the first prize (\$5.00) was Ileen Corley, who collected no less than 1,967 "tents" of caterpillars. Leslie Mollet came second and received a prize of \$3.00. He gathered in over 1,700 tents. Just how many millions of the enemy were destroyed is hard to figure out as the exact number of battalions in each tent is unknown, however it was a huge total the children destroyed altogether and for this good work too much credit cannot be given. Let's "snipe" the first caterpillar scouts to be seen out next year.

FAREWELL TEA TO HONOR SON

By Review Representative

FULFORD HARBOUR, July 3.—Mr. and Mrs. Albert Emley, of Stowe Lake Lodge, entertained the "Frolickers" and a few of their friends to a farewell tea in honor of their son Albert, whose marriage to Miss Maud Dolinson, of Oakland, California, will take place shortly. Several of the young people enjoyed the bathing in the lake. A very delightful afternoon was spent by everyone present. Among the guests were Mr. and Mrs. Dolinson, Miss Maud Dolinson, Mrs. Walter Carley, Miss Ileen Corley, Mr. and Mrs. W. Patterson, Mrs. Burnett, Miss Margaret Burnett, Miss Edna Morris, Mrs. M. Gyles, Mr. and Mrs. Leon King, Miss Evelyn King, Miss Ida Bond, Mr. Kenneth Mollet, Mr. and Mrs. F. Pyatt, Mrs. T. Jackson and Miss Evelyn Jackson.

Copthorne in the chair, elected officers as follows: Mr. Copthorne was re-elected president, Mr. George Clark, vice president, and Mr. A. Colvert, secretary. The executive committee consists of Mr. Reece Burns, Mrs. Geo. Clark, Major A. D. MacDonald, and Messrs. H. C. Egan, F. K. Herchmer and H. S. Huron.

Annual Bicycle Race

The annual children's bicycle race held by the North Saanich Service Club, which took place on Saturday, June 28th, was the most successful of its kind in the history of the club. Twenty-seven boys and girls faced the starter's gun and rode a very creditable race, resulting in a win for Iain Wilson, riding a Humber sports model.

Many expressions of appreciation were heard regarding the management of traffic and policing of the route by the Provincial Police.

GOVERNMENT MAIL LIBRARY

For a number of years the Provincial Government has carried on a work which has as yet been little heard of. There are only six public libraries in the province, therefore most of the people have not the opportunity of getting from such institutions the worth-while books which are constantly being published.

For readers of serious literature, and for students, a collection of books, known as the Open Shelf Department, now numbering between 11,000 and 12,000 volumes, is available for borrowing by mail. The government pays the outgoing postal charges, while the borrower pays the return charge. No other expense is incurred by the borrower.

It has been impossible to have a catalogue of the whole collection published, but a number of lists on various subjects have been printed and may be obtained from the Public Library Commission, Parliament Buildings, Victoria.

SIDNEY SCHOOL PUPILS ENJOY DAY'S OUTING

For the midsummer picnic of this school, the senior divisions made the trip to Sidney Island on Captain Peterson's launch, and though heavy rain fell in other parts, the island was favored with dry though cloudy weather. Many of the children took advantage of the sandy beach for bathing, while others made trips of exploration over the island. The great event of the afternoon was the sports which were keenly contested and the awards much appreciated. Promptly at 4:30 o'clock the party sat down to a bountiful spread table and did justice to all the good things provided.

The junior and primary divisions enjoyed themselves to the fullest extent at one of the sheltered beaches of Deep Cove, where they were conveyed on Mr. E. Taylor's truck and private cars, several parents and friends accompanying them and lending valuable assistance. Here again sports played an important part of the afternoon's entertainment.

SIDNEY LOCALS AND PERSONALS

The tourist traffic in and out of the Port of Sidney on July 1st was the heaviest for this season. The Motor Princess to Steveston carried a heavy list of passengers and cars, also the boats to Bellingham and Anacortes. Friday, July 4th, is expected to be another busy day at the local Ferry Wharf.

Several local citizens were guests on the C.N.R. steamer "Prince Henry," on its inaugural cruise out of Victoria on Saturday, June 28th. Over 500 passengers were guests of the Canadian National Steamship Company and were entertained in royal fashion. A six-hour cruise in the Gulf and a luncheon of the highest order left a lasting impression of Prince Henry. An inspection trip over the huge boat was an eye-opener for everyone, experienced officers of competing steamship lines admitting the new boat was without a peer. A magnificent steamer like the Prince Henry will very likely draw a big trade this summer on the Alaska run, in fact we are told the entire season is practically booked already on this boat.

Mrs. W. A. McLeod and daughter Beverly will be the guests of Mrs. McLeod's parents, Mr. and Mrs. Thorp, for the next month.

The girls' softball teams will play their next game on Friday at the North Saanich School grounds.

Mr. and Mrs. "Mannie" Simpson, Fifth Street, are receiving congratulations on the birth of a daughter on Friday at St. Joseph's Hospital.

Mr. J. Duff, Roberts' Bay, left last week for a two months' trip to Saskatchewan points.

Miss Madge Hampton, of Vancouver, is spending two weeks visiting in Sidney and is the guest of her aunt and uncle, Mr. and Mrs. B. Deacon, "Craig Rowan," Marine Drive.

The Sidney Home Laundry has just had a telephone installed in their plant (No. 22) and have also added a delivery car to their equipment. Give the local firm an opportunity to make good! Build up your own community!

Mrs. P. J. Emerson left recently for California where she is spending three weeks' vacation.

Rev. M. W. Lees preached his farewell sermon on Sunday in the Sidney and South Saanich Churches. He left yesterday with his family to spend a month at his summer home at Margaret's Bay before taking up his duties in Courtney.

Over a thousand picnickers gathered at Elk Lake on July 1st to attend the annual picnic of the South Saanich Conservative Association. Many local people attended.

Members of the Young People's Society spent a most enjoyable motor trip on Tuesday to Jordan River, where the power plant was inspected. Lunch was enjoyed at Sooke en route.

Mr. and Mrs. G. A. Agnew returned to their home here after visiting with friends and relatives in Bellingham and Vancouver.

The Department of Public Works has improved the roads and sidewalks in and around Sidney by cutting the long grass on either side.

Mr. Bert Bishop, of Mayno Island, visited in Sidney over the weekend.

Mr. and Mrs. Bert Readings and Miss Lillian Nunn were visitors to Vancouver over the holiday.

Mr. J. F. Simister, who was accompanied by his son, Mr. Norman Simister, returned on Saturday and reports having spent a very pleasant motor trip to the Cariboo where they visited with Mr. Simister's daughter and son-in-law, Mr. and Mrs. J. Keefe.

The annual picnic of the United Church Sunday School will be held on Saturday at 2 o'clock at Mr. Alex. McDonald's farm. Cars will leave the church after 1:30 for those who have no means of transportation.

Professor and Mrs. Straight entertained on Friday a large party composed of the Victoria Chamber of Commerce and the Victoria Real Estate Board to an open air luncheon at the Sidney Experimental Station.

Mrs. McDonald and four small sons, of Vancouver, are the guests of Mrs. McDonald's parents, Mr. and Mrs. J. Wood, All Bay.

Mr. and Mrs. Straw and family, of Victoria, moved to Sidney on Saturday and have taken up residence in the house owned by Mrs. S. J. Taylor, Third Street. Mr. Straw is employed as baker at the Silvergrey Bakery.

The Rev. T. M. Griffiths, who has been pastor at North Vancouver United Church, is at present spending his vacation in Sidney with Mrs. Griffiths and family at his summer cottage here, All Bay. He will take the pulpit for the next four Sundays in the Sidney United Church.

Miss Laura Lane returned home for the summer holidays on Tuesday from Kamloops, where she has been teaching school.

The first meeting of the Galiano Swimming Club took place at Murcheson's farm on Friday last. Mr. D. New was elected president and instructor and Miss R. Murcheson secretary. Mrs. A. E. Scoones has kindly invited the club to tea and swimming next Friday. Mrs. V. Zala and Mrs. D. New assisted Mrs. F. Murcheson at tea. Decorations were carried out with roses. Visitors were Miss Reid and Miss McIntyre, of Vancouver. Thirty-five members were enrolled.

Zala acted as master of ceremonies and Messrs. D. New and A. Lord were in charge of the music. Others present were Misses Bowerman, L. Moore, F. Darling, Mrs. D. New, Mrs. Rimmer and Messrs. A. Cayzer, N. and J. Cook, A. Bowerman, J. Deacon, F. Bennett and others.

The gardens entered in the North Saanich Horticultural Society's contest were judged yesterday, bringing forth the following results: Mr. J. A. Nunn, first with 390 points out of a possible 450; Mrs. J. T. Harrison second with 340 points and Mrs. Roy Brethour third with 320 points.

These three gardens will be entered in the Vancouver Island Horticultural Society's contest, which will be judged on Friday by Mr. E. W. White, of the Horticultural Department.

A new queen of the Pacific will pay homage August 24 to a former Empress of the seas when the Canadian Pacific liner Empress of Japan, new 26,000 ton flagship of the company's Pacific fleet, steams through the Narrows to receive Vancouver's vociferous applause. Just before reaching Black Point the new Empress, gay with flags and bunting, will dip her ensign to the dragon-crowned figurehead which rests on its pedestal in Stanley Park overlooking the waters of Burrard Inlet. The figurehead is that of the old Empress of Japan, scrapped and sold in 1922 after 31 years of service between Canada and the Orient.

Impressively simple ceremonies were held at Fort William recently for the late F. E. Trautman, for the past 18 years Canadian Pacific Press representative in Western Canada. He was buried in the city where a large part of his career as a pioneer western newspaperman was passed as editor of the Fort William Times-Journal. Nearly one billion dollars was invested in central electric power stations in Canada at the end of 1928, or \$956,919,000 to be exact, according to an official report issued by the Canadian Government Bureau of Statistics. This is twice the amount of the investment in this industry in 1920 and over \$500,000,000 more than the total in 1927.

At the fourth World's Poultry Congress to be held at the Crystal Palace, London, July 22-30, Canada will have a total of 533 birds in competitive entries, also 123 exhibition birds and 241 production birds. Lightning hit the telephone poles

During an electric storm on the night of June 7, lightning struck five telephone poles about 20 miles west of Kamloops, destroying one pole, tearing all the connections off the others and bringing down about 840 feet of wire. Four long-distance circuits, including the two direct lines between Vancouver and Calgary, were put out of service as a result.

It was 11 o'clock at night when the trouble occurred. Telephone repairmen were rushed to the scene from Kamloops. They replaced the broken pole and had all lines back in service by 3 o'clock the following morning.

Three months of hard labor which included the levelling of 21 acres of rolling waste land and the laying of approximately 12 miles of new track, terminated June 5 when the Canadian Pacific Railway finished the construction of "Fitz City," Toronto, for the accommodation of the huge army of Shriners who held their convention in that city recently.

Lake Minnewanka, famous sheet of water in the Canadian Rockies, not far from Banff, has entered angling history with the capture recently of the largest trout ever taken from the lake. It weighed 40 lbs. 8 ounces and was 41 inches in length and 32 inches in girth. It has been studied and is now in the Banff museum.

The humanity of the progress made and the almost boundless prosperity in fact ahead for Canada has brought home to him the great need for the awakening of England to a better understanding of the Dominion, was the statement made recently by Major L. A. M. Jones, economic supervisor editor of the Morning Post, London, England, who is making a several months tour of Canada studying conditions here.

During the course of the forthcoming World Power Conference to be held in Berlin, Germany, June 26, C. Lefebvre, delegate for Canada, will propose that the next convention shall be held in Canada in view of the rapid strides made in matters electrical by the Dominion. Mr. Lefebvre sailed for Europe recently on board S.S. Empress of France.

June 2 saw the furnishings of the new central tower extension of the Royal York Hotel, Toronto, completed. Altogether there are 152 guest rooms in this wing, including six period suites, art, modern, flower Dutch and Tudor. The Royal York is the largest hotel in the British Empire and with this addition numbers 1,156 rooms.

Fenwick Saunders, riding his bicycle at Tusket, N.S., recently saw a salmon disporting itself in shallow water near Tusket Dam. He crept cautiously up, grabbed the fish which almost escaped, dragging him into deep water, but although out of his depth, succeeded finally in getting a 10-pounder fish safely ashore.

Radio continues to advance in popular favor in Canada. At the end of March, 1930, there were 423,557 radio receiving licenses issued by the Canadian Government radio branch of the Department of Marine, compared with 296,926 on March 31, 1929, an increase of 126,631 in the 12 months.

The number of motor vehicles registered in Canada during 1929 was 1,193,889, an increase over the 1928 registration of 117,070 or 10.9 per cent. This was an average of one motor vehicle to each 8.2 persons. Canada ranks third among the countries of the world in the number of automobiles in proportion to the population.

There's always a danger in being so close to your home that you can't get a proper impression of it. You spend most hours of the day in your home, month after month and year after year. Suppose, next Sunday morning when things are quiet and you are less busy, you do a little quiet thinking about household thrift.

Then, on Monday, make up a test bundle and phone us. Don't assume that home washing is cheaper—find out if it really is.

With a view to providing proper encouragement for the very important work being done by boys and girls club clubs to improve the dairy cattle industry in the province of Quebec, the Canadian Pacific Railway is offering a scholarship to members of 16 years and over, studying in the Boys' and Girls' Club classes at Canada's Great Eastern Exhibition, Sherbrooke, Que., August 25-30 next.

The 1931 International Railway Congress may be held in Canada, with Japan as a possible alternative location, according to information brought back from the 1929 gathering in Madrid, Spain, by D. C. McArthur, vice president of the Canadian Pacific Railway, and St. George McArthur Brown, who represented the railway at the congress.

Embarked on June 11, at Clydebank by H. R. H. the Prince of Wales in the presence of a distinguished gathering of notables, S.S. Empress of Britain, ace of Canadian steamships, took the water and pictures of the function were flashed across the Atlantic and the speeches radioed and appeared in New York papers. Coupled with the Prince's speech were speeches by Lord Abernethy and E. W. Beatty, chairman and president of the Canadian Pacific Railway.

Canada's largest convention held in Canada's largest hotel came to a successful termination last week when the Ancient Arabic Order of the Nobles of the Mystic Shrine, coming from dozens of cities in Canada and the United States, who had invaded Toronto to the number of close on 100,000, left for their respective homes. The Royal York could not of course fully accommodate them and the Canadian Pacific Railway built "Fitz City" for the purpose near the hotel.

Meat and dairy products are increasing in popularity on the daily menu of the people of Canada. The per capita consumption of meat is 192 lb. per year and the total quantity of meat consumed annually in the Dominion has increased 20 per cent. in the last 10 years.

Ontario tops the list of Canadian provinces with fatalities at level crossings during the past three years, according to Arthur Gabor, secretary-general of the Province of Quebec Safety League. His figures show 71 deaths in 1928; 78 in 1929 and 16 to the end of May, 1930. Those compare with 39, 7 and 7 for Quebec in the same periods. The greatly reduced numbers in the case of Quebec are attributable, says Mr. Gabor, to the observance of the law in that province calling upon cars to stop when reaching a crossing, whether a train is in sight or not.

Bright Atlantic silver sea-run salmon are entering New Brunswick angling waters in greater numbers than ever this year, according to reports from wardens reaching the provincial department of Lands and Mines. On the Restigouche River catches of 28 lb. and 25 lb. salmon have been made.

The trans-Atlantic speed record between the ports of Liverpool and Saint John, was broken recently by the arrival at the latter port of the Canadian Pacific liner Duchess of York, after a crossing from Liverpool which took six days, 22 hours and 14 minutes. According to local shipping men this is the first time in the history of the port that a crossing has been made in under seven days.

Twelve thousand pounds of Quebec handled daily during the latter part of April by the Canadian Pacific Express Company to points overseas, the Prairie Provinces and Ottawa, constituting what is claimed to be a record movement of this dainty. Outside commercial use, demand for this product arises from the part of individuals who make a practice of shipping it to relatives and friends in the Old Country and the west of Canada.

Close on six million dollars were spent on New Brunswick roads during 1929, being reconstruction of 221 miles of main trunk highways and 1138 miles of secondary roads. This is regarded as the most extensive programme of highway construction, improvement and maintenance ever undertaken in the Province.

Snapped in Hyde Park, London, England, recently, Hon. Barnaby Rudge, little son of Lord Strathcona and descendant of the great Canadian who was one of the founders of the Canadian Pacific Railway, was photographed kissing his cousin, the small daughter of the Hon. Mrs. Arthur Howard. Both children are living links with the great past when one of the major events in the history of Canada was in the making.

"Do A Good Turn Every Day!"
TROOP
The fence around the hall was completed last week and is a great improvement to the place.
On the 21st last four Scouts assisted at the garden party held at the home of General Gwynne.
We have a new recruit, George Grant, of Centre Road, who will be ready for enrollment as a Scout soon.
Next Saturday the Troop plans to go into camp again at Shoal Harbour.
A party in town the other day inquired as to how much money Mr. King and I received for doing Scout work, apparently being of the opinion that we received pay. In case there are others who wonder whether we are paid for our services I wish to say that any work that we do is entirely gratuitous. We do the work for the love of it, and the great pleasure we obtain from being out with the boys, helping them all we can to be real Scouts and useful men both to themselves and others—and with considerable success attending our efforts we feel a greater joy in our labors than any mercenary consideration could bring.
PACK
On the 21st and 22nd the Wolf Cubs camped at the camp grounds on Shoal Harbour. The two Packs, Sidney and Saanichton, combined, and Mr. King and Mr. Stoddart in charge they had a wonderful time.
